

Data on ARRA Spending Available on Agency Recovery Website as of 6/16/09

Prepared by Rachel Blanchard, Metropolitan Policy Program, Brookings Institution

Agency	Agency Plan			Reports required by OMB (weekly financial & activity report, funding notification report)	Available Data on Obligated or Planned ARRA Funds (not including weekly reports)							Interactive map displaying data	Additional Info	
	Agency-wide plan posted on site	Plan describes data collection & release	Program plans posted on site		Nation	State	County	Cong. District	City	Indiv. Project	By program (if applicable)			
Corporation for National & Community Service (Nationalservice.gov/Recovery)	✓		✓	Weekly report only	✓ (Ameri-Corps only)	✓					✓ (Ameri-Corps only)	✓ (Ameri-Corps only)		The only data currently available on the agency's website are from a 5/14/09 press release containing a table listing 10,000 new AmeriCorps positions awarded through ARRA, including the amount of each grant, and the state and organization location within which each new position is posted.
Department of Agriculture (USDA.gov/Recovery)	✓ (budget only)		✓ (some programs)	✓		✓	✓	✓	✓	✓	✓	✓	✓ Map info: spending by state, geographic locations of projects, recipient name, contracting agency, and funding amount.	In addition to the map display of data, visitors to the website can click on a link to map data, with a sortable list of individual projects that have received funding. Note: The website states that "Future versions of this map will include United States Housing and Urban Development (HUD) data as well."
Department of Commerce (Commerce.gov/Recovery)				Weekly report only										No data are currently available on the agency's website.

Agency	Agency Plan			Reports required by OMB (weekly financial & activity report, funding notification report)	Available Data on Obligated or Planned ARRA Funds (not including weekly reports)							Interactive map displaying data	Additional Info
	Agency-wide plan posted on site	Plan describes data collection & release	Program plans posted on site		Nation	State	County	Cong. District	City	Indiv. Project	By program (if applicable)		
Department of Defense (DefenseLink.mil/Recovery)	✓	✓ (data collection only)	✓	Weekly financial report and agency-specific expenditure plans	✓	✓				✓	✓	✓ Map info: spending by state and national total for all projects completed or under way by August 31, 2009.	In addition to the map, the website allows the user to click on a state's name and view the details of individual projects, including branch of the military, name of the military installation, estimated cost, and a short description of the project's activities. An expenditure plan is also available on the website, with detailed information about individual project proposals and state summaries. In addition, agency plans provide detailed tables with information about individual projects, including location, project activities, cost estimate, and estimated beginning and end dates.
Department of Education (Ed.gov/Recovery)				Weekly report only	✓	✓				✓ (school district)	✓		The agency's website has recently posted links to Excel files with data on cumulative obligated funds, outlays, and available funds, organized by both state and program. The department has also posted a link to state-by-state school district-level data on Title I grants allocations under the Recovery Act.

Agency	Agency Plan			Reports required by OMB (weekly financial & activity report, funding notification report)	Available Data on Obligated or Planned ARRA Funds (not including weekly reports)							Interactive map displaying data	Additional Info
	Agency-wide plan posted on site	Plan describes data collection & release	Program plans posted on site		Nation	State	County	Cong. District	City	Indiv. Project	By program (if applicable)		
Department of Energy (Energy.gov/Recovery)				✓	✓	✓					✓	✓ Map info: Spending by state, broken down by program.	An Excel file link on the website offers similar information to that available on the interactive map, along with the name of individual state agencies that are receiving Recovery funds.
Department of Health & Human Services (HHS.gov/Recovery)	✓ (no pdf file)	✓ (in program plans)	✓	Weekly report only	✓	✓					✓	✓ Map info: Total spending by state, broken down by program.	In addition to the map, the department's main page displays estimates for nationwide total funding by program.
Department of Homeland Security (DHS.gov/Recovery)	✓		✓	Weekly report only	✓						✓		The website only provides general information about planned expenditures by program.
Department of Housing & Urban Development (HUD.gov/Recovery)	✓	✓ (in program plans)	✓	✓	✓	✓			✓ (housing agency)		✓		HUD's posted funding notification reports are remarkably detailed Excel spreadsheets with data on formula block grant allocations, by program, to individual housing agencies. The main page also includes a bar graph showing approximate amounts of total ARRA HUD funds available, awarded, and money spent. See note in the description of the Dept. of Agriculture's website.

Agency	Agency Plan			Reports required by OMB (weekly financial & activity report, funding notification report)	Available Data on Obligated or Planned ARRA Funds (not including weekly reports)							Interactive map displaying data	Additional Info
	Agency-wide plan posted on site	Plan describes data collection & release	Program plans posted on site		Nation	State	County	Cong. District	City	Indiv. Project	By program (if applicable)
